

To Whom it May Concern,

This letter is to recommend MAAD Hospitality and David Wiesner as a food service vendor. David and MAAD Hospitality have the experience, staff and dedication to help them manage such a dynamic business. SLS had the pleasure of working with MAAD Hospitality to feed two temporary hospitals at the Billie Jean King Tennis Center and Brooklyn Cruise Terminal. MAAD Hospitality was tasked with feeding over 500 hospital staff and patients. David and his team were quick to respond and immediately mobilized within 24 hours with a fully functional mobile kitchen and well-trained staff. They formulated a plan, set a menu tailored toward the patients requirements and executed their tasks with a high level of professionalism.

SLS admired MAAD Hospitality's ability to mobilize and adapt to the endless demands daily. In our experience with MAAD Hospitality, they went above and beyond their duties. They would seamlessly adjust their menu to cater to a wide variety of diets. I would be confident to let MAAD Hospitality mobilize and quickly serve a quality product at any disaster or emergency.

Feel free to contact me for more information. From my experience and knowledge of MAAD Hospitality, they would be an excellent food vendor.

Thank You,

Matt Weisberger
