

To Whom it May Concern,

I have known and worked with David Wiesner and Monterone catering for over a decade. In that time, they have catered dozens and dozens of large scale art fairs and events for anywhere up to 15,000 people in the course of the weekend. Mr. Wiesner and his staff have maintained the highest levels of professionalism and courtesy and have delivered great food every time.

I strongly recommend Monterone to cater for the temporary hospital in Brooklyn. In fact, Mr. Wiesner' always high level of professionalism is exactly what is needed to actively assist in these difficult times.

Please feel free to reach out to me at any time.

Regards, Eric Romano
